Through the Diversity and Inclusion Policy, Capitol aims to value and support the diversity of its people, patients, customers, suppliers, and communities by creating a positive experience for all.

Capitol Health is committed to facilitating an inclusive workplace where diversity is embraced. Capitol recognises that differences make for a stronger and more successful team and outcomes. These differences can include gender, marital or family status, sexual orientation, gender identity, age, disabilities, ethnicity, nationality, religious beliefs, disabilities, cultural background, perspectives, experiences, and other areas of difference.

Capitol aims to provide a workplace in which everyone is treated fairly and with respect and that reflects the diverse communities it serves. This policy outlines the principles which underpin Capitol's commitment to diversity and inclusion and articulates how it is supported throughout the organisation.
